MISSION STATEMENT

The East Los Angeles Chamber of Commerce is committed to providing services design to strengthen and promote our membership and business community.

ORGANIZATION INFORMATION

The East Los Angeles Chamber of Commerce was formed by fellow business persons, like you, who saw a need for this community. Thus, the East Los Angeles Chamber of Commerce was established in March 1988 and has devoted itself to improving and facilitating the growth of new and existing Businesses.

The Chamber set out to bridge the lines of communication between businesses and the general community, business to business, and most importantly business and our civic leaders and service agencies.

"Progress through Unity" is our motto and we wish to represent all business associations within the community and be the productive Chamber of Commerce that this community deserves. Let us work together to achieve the best for this great community of East Los Angeles. We sincerely hope that you will become a member and be part of the Communities future success.
